

Step 1 Fish Transfers (Swim Thrus) Un-graded Movements

This screen allows you to enter in details of fish being transferred from cage to cage that are un-graded, this is fish moved just based on numbers.

The Completed Job Screen is where the fish has been transferred too.

The screenshot shows a software window titled "Swim Thru (Un-graded Movements)". The window has a blue title bar and standard Windows window controls. Inside, there are several tabs: "Details", "Weather Condition", and "Completed Job". The "Details" tab is active. The form contains the following fields and controls:

- Job No S- [text box]
- Date [calendar icon] 21/05/2006 [dropdown arrow]
- Fish ID [text box] [?] [button]
- Fish Count 0 [text box]
- Cage Size (m) [text box]
- Cage ID [text box]
- Date Assigned [text box]
- Est Fish Swum off [text box]
- New Fish ID [text box]
- New Cage Size (m) [text box]
- Assigned To [text box] [?] [button]
- Comment [text box] [button >>]
- Archive [No] [dropdown arrow]
- Calculate Weight [button]
- Swim Thru Form [button]
- [K] [left arrow] [right arrow] [I] [button]
- Save [button]
- Find [button]
- Delete [button]
- Reset [button]
- Print [button]
- Refresh [button]
- Cancel [button]
- Help [button]
- Import [button]

Step 2 Bath / Grade Movements Screen

This screen is in 2 parts where the first screen shows the Source Cage Details.
